

REMARKS

Entry and consideration of this Preliminary Amendment are respectfully requested prior to examination on the merits.

This Preliminary Amendment is being filed to include a cross-reference to parent U.S. Patent Application Serial No. 09/722,241, filed November 27, 2000 in the USPTO. It also continues the claim of priority based upon Applicants' three priority applications filed in Sweden.

Examination on the merits is awaited.

Respectfully submitted,  
SMITH, GAMBRELL & RUSSELL, LLP
